When you open a Kasasa Tunes account, you will receive \$10 in downloads at account opening. This \$10 will be available for you to use for 60 days from the date it is issued or the reward will expire.

To earn the Kasasa Tunes downloads and ATM refunds, you must meet all three qualifications by 5:00 PM EST one day prior to your statement cycle ending date. This is referred to as your Qualification Date. Transactions posted to your account after 5:00 PM EST on the Qualification Date will count towards meeting the Kasasa qualifications for the next month's qualification cycle. The Qualification Dates are reflected in the calendar below as a green day with a box around the date.

Example:

ATM fee refunds (if your account qualifies) will be automatically deposited to your account on the statement cycle end date. This is also the date where your \$5 Kasasa Tunes downloads become active, from this date you will have 30 days to use your monthly Kasasa Tunes downloads or the rewards will expire. The dates for ATM fee refunds are reflected below by a blue day with a circle around the date.

Example:

When you qualify, you will receive monthly Kasasa Tunes downloads of \$5. These downloads will expire in 30 days. This date will always reflect the expiration of the \$5 downloads given for the prior months qualification.

The dates of this expiration are reflected below by an orange day with a triangle around the date.
