

## The Union Bank Mobile Deposits

The Union Bank Online Banking customers can now deposit checks from anywhere using their iPhone or android device. Here is how:

	<ol style="list-style-type: none"><li>1. Login to your Union Bank Online Banking App. (If you do not have the Union Bank Mobile App, you can download it from your device's app store by searching for "The Union Bank")</li></ol>
	<ol style="list-style-type: none"><li>2. Select Deposits from the menu at the bottom of your iPhone or on the top of your android phone.</li></ol>

3. Select New Deposit

- 4. Select the account to deposit funds into
- 5. Enter the deposit amount of the check
- 6. Select Continue

7. You will be prompted to take a picture of the front and back of the check
8. After each image is taken, select Use Photo to send the image, or retake to take a new image. **All Checks must be endorsed in order to be deposited.**

9. Once the front and rear images have been taken, a summary of the deposit will be shown. If the deposit is correct, hit the yes key. Once the Yes key has been selected the deposit is sent for review to The Union Bank Co.

10. To review the status of your deposit, click on the deposits tab and select view deposit history. This allows you to review pending deposits, and past approved deposits.

If you need further assistance with The Union Bank Mobile Deposit product, please stop in to your local Branch, or call us at 1-800-837-8111
